

Remarks

Applicant submits new claims 17-23 herewith. Applicant submits that these claims are supported by the originally filed claims and correspond to withdrawn claim 1 and cancelled claims 2-6 and 8, rewritten to recite an additive instead of a printing vehicle. Applicant submits that the changes made in rewriting claims 1-6 and 8 are not made to impart patentability to the claims but rather so that the claims correspond to the group that was elected in Paper Number 3.

In light of the foregoing Amendment and Remarks, Applicant respectfully submits that the present case is in condition for allowance. A Notice to that effect is respectfully requested.

Please charge any fees associated with this filing, or apply any credits, to our Deposit Account No. 08-2025.

Respectfully submitted,
